SOCCER BACKPACK RELOAD

Free Soccer Clinic

Soccer clinic provided for children of different ages that is considered underserved. This four hour program will help kids develop basic fundamentals of soccer – ball control, passing and receiving, dribbling, shooting, and help build mental toughness. At completion of the program, participants will receive a bag with school supplies and health and wellness information.

Registration - 9:30AM

Clinic - 10:00AM – 2:00PM
